

# NZEB Open Doors

## DIT NZEB Retrofit Exhibition

RIAI

### An exhibition of DIT School of Architecture NZEB Retrofit postgraduate student work

8-11 November 2016, RIAI 8 Merrion Square, Dublin 2

The exhibition aims to demonstrate the challenges and opportunities for upskilling architects and technologists in Nearly Zero Energy Building (NZEB)

Featuring:

**PGCert Residential NZEB Retrofit projects:**

**Flattop Retrofit** (Dublin City Council)

**4-in-a-block** (BRE Scotland)

**Crumlin Cottage** (Dublin City Council)

**PGDip Non-residential Retrofit projects:**

**Boyd Barret Schools** (Department of Education & Skills)

**Generic Schools** (Department of Education & Skills)

**NZEB NEAP Office** (Liberty Hall)

And introducing:

**The MEnS Professional Energy Skills in NZEB module**

*A H2020-funded upskilling module available free of charge to building design professionals*

**Opening by RIAI President Carole Pollard**

**Tuesday 8 November, 18.00**
